

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 28, 1995

SUBJECT: **SB 512 - HB 631**

This bill, if enacted, will create the *Agricultural District and Farmland Preservation Act*. An agricultural district will be governed by its local soil conservation district's board of supervisors. The board of supervisors and the state soil conservation committee will be responsible for approving the formation of such districts.

The fiscal impact from enactment of this bill is estimated to be an increase in local government expenditures for any administrative costs for soil conservation districts that have agricultural districts created within them. A reasonable estimate of the increase cannot be determined but is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
